RESPONSE TO OFFICE COMMUNICATION

Sir:

In response to the Office Communication of October 15, 2004, the shortened statutory period for response to which ends after December 15, 2004, Applicants respond as follows:

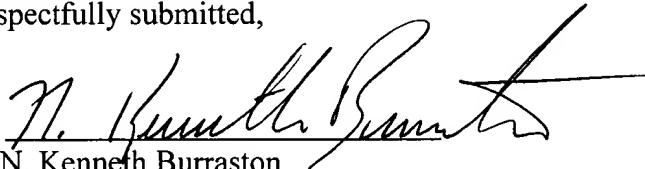

The Examiner has asked whether the above-identified patent application and US Patent Application Publication 2004/0004216 were owned by or subject to an obligation of assignment to the same person at the time the invention was made? Applicants answer yes.

At the time of the inventions in both applications, the inventors of the above-identified patent application and US Patent Application Publication 2004/0004216 were employees of FormFactor, Inc. and contractually obligated to assign all such inventions to FormFactor. In fact, the parent of the above-identified patent application (US Patent No. 6,456,099) and the parent of US Patent Application Publication 2004/0004216 (US Patent No. 6,551,844) were assigned to FormFactor within three months of their filing dates. Those assignments were recorded at real/frame 009842/0248 and 009896/0232.
